

San Juan Choices Charter School
Advisory Council Meeting **Minutes**
January 10, 2018
Room 6
3:00pm

All members were present except for Tony Oddo, John Garrard and Alyssa McDonald.

1. Review and approve the minutes from our last advisory meeting: **Minutes were approved.**
2. Enrollment/Budget: **Current enrollment is at 270. The last time we reported our attendance to the district we were at 271 and 96.33% positive attendance.**
We want to make sure that parents and students are well aware of the important of students completing their work and earning positive attendance. Truancies count against the school in more ways than students and families are aware of. Therefore, to show families and students what we lost in one reporting period and how that affected students at Choices, the school developed a visual showing the amount of money the school lost out and what activities or school items we could have done or purchased if we had better attendance. We hope this will make an impact on not just the students but parents.
Copies of the quarterly expenses were given out.
3. WASC update: **Kristin O'Brien is our school self-study coordinator and she is in the process of completing the WASC document which will be presented to the visiting WASC team coming in March. Once the document is complete, Mrs. O'Brien will send out a copy for the advisory members to view.**
4. Up Coming Events: **The Celebration of the Arts is 01/18/18 at 3pm in the MP room. The last day of the semester is 01/23/18 and the next Minute to Win it is on March 7th. We also would like to encourage all students to participate in the Speaker Series. Capt. Scott Kelly is the next speaker on 01/17/2018. All students interested in attending can contact Mrs. Moore.**

5. Our last meeting/Walk ons: Our last advisory meeting for the 2017-2018 school year will be April 18th at 3pm. Next year's dates are not yet available but once the calendar for next year is created, the dates will then be emailed to members.
