Charter School

Dear Parents and Students,

Welcome to San Juan Choices Charter School.

This independent study program was founded to serve the students/families who have become dissatisfied with the traditional school setting and seek success in an alternative educational environment. Students and parents who are searching for a more personalized, safe learning environment; who want to take a more active role in their student's education and who want teachers who take a more personalized approach to their student's education will find Choices a refreshing educational option. A key goal of Choices is to keep students in school and engaged while expanding their options for the future through academic success and connections with business/community partnerships. The over-arching educational goal of Choices is to create self-directed independent learners that can transition seamlessly to college or career.

San Juan Choices Charter School is a zero-tolerance school. Staff, family, and students hold each other accountable to the established rules and guidelines. Our counselor works with students/families to establish an Independent Learning Plan for each student which is evaluated and updated regularly. Skills in organization and time management are taught as part of the process, but parent participation is essential for student success.

As a student in San Juan Choices Charter School, your success depends greatly on your motivation and attitude. Be honest with yourself and with others. Focus on the educational tasks you are assigned. Attend all classes and appointments as scheduled and be an active participant in your learning process.

Invest in your education. Invest in your future. Invest in yourself.

Sincerely,

Tony Oddo
Director

I understand any violation of the Student Conduct and Discipline Policy or failure to meet contract requirements is cause for dismissal from San Juan Choices Charter School. **I understand that lack of transportation is not an acceptable reason for missing an appointment.**

Parents are encouraged to use **Edline.net** to email teachers or locate teacher contact information under "Our Staff" bar on the Edline home page. STANDARDIZED TESTING

BECAUSE CHOICES IS A SMALL SCHOOL, PARTICIPATION IN STATE-MANDATED TESTING IS A REQUIREMENT OF ENROLLMENT

SMARTER BALANCE TEST/CAASPP: COMPUTERIZED

- English language arts/literacy and mathematics in grades 6–8 and 11
 - Computer Adaptive Test (CAT)
 - Performance Task (PT)
- Science Pilot in grades 8 and 12
 - California Science Test (CAST)

ACT ASSESSMENT (Optional)

The ACT (American College Test) is designed to assess high school students' general education development and their ability to complete college-level work. The ACT is a national college admission exam that tests four skill areas: English, mathematics, reading, and science reasoning. Registration materials are available in the Counseling Office and online at www.act.org.

ADVANCED PLACEMENT (AP Tests)

The AP Program gives high school students an opportunity to take college-level courses and exams, and earn credit, advanced placement, or both for college.

HiSET HIGH SCHOOL EQUIVALENCY EXAM

The HiSET exam, now offered at Choices, is an equivalency exam that earns the successful tester a High School Equivalency credential (HSE). Students who are 18 or within 2 months of their 18th birthday are eligible to take the HiSET exam and are able to prepare by taking preparation courses at the school. The HSE credential is accepted everywhere, and a student can take all five exams (English reading, English writing, Science, math, and social studies) at once or at different times. <https://hiset.ets.org/>

CALIFORNIA HIGH SCHOOL PROFICIENCY EXAM (CHSPE)

The CHSPE provides an opportunity for eligible persons who are proficient in the basic skills taught in California public high schools to have that proficiency verified. The State Board of Education awards each person who passes the CHSPE a Certificate of Proficiency, which is equivalent by law to a high school diploma. The CHSPE may be taken by a person who is 16 or older on the day of the test and must remain in school until notification of passing is given. The test is given in October, March, and June. Application forms are available in the Counseling Office and online at www.chspe.com.

PSAT/NMSQT

(Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test) The PSAT/NMSQT, a 2-hour examination given only in October, measures critical reading, math problem-solving, and writing skills students have been developing throughout their academic careers. This is a shorter version of the SAT, giving students the opportunity to find out what the SAT is like. By taking the PSAT/ NMSQT students may qualify to enter competitions for prestigious scholarships and participate in recognition programs. Typically, this is a junior test; however, freshmen and sophomores may take the test for practice. Information is available in the Counseling Office.

SAT I: REASONING TEST

The **SAT I** is a 3-hour, multiple choice test that measures students' verbal and math reasoning abilities. It is generally taken by college bound students in their junior or senior year since it is part of the entrance requirements for most colleges and universities.

SAT II: SUBJECT TESTS

These tests are 1-hour examinations that measure students' knowledge or skills in a particular subject and their ability to apply that knowledge. Many colleges require taking one or more of the subject tests for admission or placement.

ONLINE CURRICULUM/TEXTBOOKS

Because Choices Charter School curriculum is largely online, we are committed to having the most current and comprehensive courses available. Some elective courses require a textbook - students must have a student ID for textbook checkout.

ONLINE CURRICULUM

Students access their online curriculum via the school website at www.choicescharter.org.

Students and parents should click on the School Pathways link to access grades, curriculum, PE logs, learning logs, and more.

CHECKOUT

Textbooks are checked out to students by the textbook clerk or classroom teacher. Books checked out to students will be entered into the Follett Asset Management system. When a student finishes a class or withdraws from the school all textbooks checked out must be returned. Students are responsible for their books. If damaged, lost or stolen the student must pay for the books before another textbook is issued. Transcripts are withheld pending the return or payment of textbooks. The school is not responsible for book thefts. Diplomas are held from any graduating senior until all fines are paid and books returned.

RETURN

Textbooks can be returned to the textbook clerk in Room 5 or they can also be left in the front office.

LOST OR DAMAGED

Lost or damaged textbooks must be paid for by the student/parent. Cash, check or money order is accepted. When the amount owed is a hardship to the family a payment plan will be set up so that a portion of the total can be paid monthly.

VIRTUAL TEXTBOOKS AND ONLINE WORK

When virtual textbooks are used the student can access the textbook in the Choices computer lab or in the supervising teacher's room when the student does not have a computer at home. Online work can also be printed out at school when students do not have access to a computer at home. The completed work must be entered into Edline by the student for correction.

GRADING POLICY

ACADEMIC GRADES

A letter grading system is used which reflects the following scale:

- A Superior
- B Above Average
- C Average
- D Below Average
- F Failing

An academic grade reflects teacher judgment in assessing content standards for the course, the quality and quantity of academic work completed during the grading period. Teachers distribute policies at the beginning of each year/semester about homework and grading.

CITIZENSHIP GRADES

Each student is responsible for his/her behavior. It is the responsibility of school personnel to monitor student behavior to ensure that the classroom and school environment is safe, orderly, and conducive to learning. The citizenship grade for each student is based on conduct, cooperation, integrity, effort, attitude and tardiness. Please refer to the Choices Charter School Citizenship Rubric in the **Choices Student Binder** for specific guidelines.

REPORT CARDS

Parents may check grades in progress online through Edline.net. Official progress reports will be sent home after the first 6 weeks of class. At the end of each semester (January and June) report cards/transcripts are mailed to parents. Academic and citizenship grades are reported on the transcripts. Only final semester grades are recorded on the transcript, which is the student's permanent record. Constant monitoring of graduation requirements is the joint responsibility of the student, the parent and the counselor. Five units of credit toward graduation are earned each semester a high school student receives a passing grade. Students and parents are encouraged to contact teachers for questions or concerns about the grades. Contact information for all staff is available on the school website or on Edline. Teachers have the ultimate authority and responsibility for assessing the academic achievement of students. Only the teacher can change a grade.

DROP "F" POLICY

Students enrolled in classes are expected to complete these classes. After 6 weeks, students who drop a class will receive a drop "F" on the transcript.

SCHOOL/DISTRICT RULES

BICYCLES/SKATEBOARDS

A student who uses a bicycle or skateboard for transportation must stop riding it when reaching the edge of the campus. Bicycles and skateboards must be checked in and left in the Main Office while student is attending school.

FLYERS

A student or adult may not distribute or past any flyer on campus without permission from the administrator.

GAMBLING

Gambling (playing cards, dice, and coin pitching or flipping for money) is illegal and not allowed on campus or at any school activity.

GRAFFITI/VANDALISM

Damaging, defacing or destroying school property is against the law. Students guilty of such acts will receive consequences to the full extent that the California Education Code, the Penal Codes and San Juan district policies allow, including, suspension, social probation and possible recommended expulsion. There may be a referral to law enforcement. Parents are responsible and financially liable for acts of vandalism by their student. In addition, the district may withhold a student's grades, diploma and transcript until restitution for damages is made.

INAPPROPRIATE DISPLAYS OF AFFECTION

In a public place such as at school or at school-sponsored activities, excessive displays of affection are inappropriate.

LITTERING

Students have the responsibility for keeping the campus litter free while at school, especially during classroom breaks and/or lunch. Students must put their trash in the garbage containers placed around the campus. It is

not the job of the custodian to pick up after students. Abuse will result in disciplinary action including "trash detail".

LOITERING

All students are required to be in class during school hours. Students may not loiter on or about the campus at any time. Students coming to or leaving the campus may not linger or gather at homes or on the streets next to campus. Students observed doing this will be subject to disciplinary action and possible referral to law enforcement. Private citizens have the option of calling law enforcement if students habitually loiter at the property.

FOOD DELIVERY

Students are not to order food to be delivered to the school. Parents may request permission from the office for special occasions, but in no instance may the operation of the school or student learning be disrupted.

PROFANITY OR SLURS

Students must not use profane language. Profanity directed at individuals or in loud excessive displays and/or slurs (racial, ethnic, sexual, religious, handicapped, etc.) are prohibited at all times. The use of such language will result in suspension.

QUESTIONING BY OUTSIDE AGENCY

A law enforcement agent upon request and with appropriate identification has the authority/right to question students while at school.

SALES/EXCHANGES/BARTERING

Selling, exchanging or bartering is prohibited except as fundraisers authorized by the administration and/or student government.

SEARCHES

To ensure the health, safety and welfare of students, school authorities and law enforcement officers may conduct searches as allowed by law. Backpacks and student vehicles may be searched at any time. In addition, district Safe Schools Officers (Sheriff's deputies) may use trained dogs to indicate the presence of drugs in vehicles, backpacks, and other locations.

NONDISCRIMINATION/HARASSMENT/INTIMIDATION/BULLYING

The Board of Education is committed to equal opportunity for all individuals in education. District programs, activities and services shall be free from unlawful discrimination, harassment, intimidation, and/or bullying based on actual or perceived sex, race or ethnicity, color, national origin, nationality, religion, age, sexual orientation, sexual preference, ancestry, ethnic group identification, gender, gender expression, gender identity, physical or mental disability, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics, or sexual harassment in any district service, program and/or activity that receives or benefits from state financial assistance. The Board shall promote programs which ensure that unlawful discriminatory practices are eliminated in all district activities. Any student, staff member or parent who feels that harassment has occurred should immediately contact the teacher, principal of the school, or district Title IX Coordinator. If the concern is not resolved, a formal complaint may be initiated at the school or by directly contacting the district Title IX Coordinator. Copies of the Uniform Compliant Form may be obtained from the school office or district Title IX Coordinator.

Any student who engages in discrimination, harassment, intimidation, and/or bullying may be subject to disciplinary action up to and including expulsion. Any employee who permits or engages in unlawful discrimination, harassment, intimidation, and/or bullying may be subject to disciplinary action up to and including dismissal.

Bullying is defined as any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a pupil or group of pupils as defined in Education Code section 48900.2, 48900.3, or 48900.4, directed toward one or more pupils that has or can be reasonably predicted to have the effect of one or more of the following:

2. Causing a reasonable pupil to experience a substantially detrimental effect on his or her physical or mental health
3. Causing a reasonable pupil to experience substantial interference with his or her academic performance
4. Causing a reasonable pupil to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by a school.

Electronic act of bullying is the transmission, originated on or off the school site, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager, of a communication, including, but not limited to, any of the following:

1. A message, text, sound or image.
